

TSUNAMI ACADEMY – HITTRAX SUMMER CAMP

Player/Parent Contract

Payment Obligation/Academy Tuition

Academy tuition will be defined by a semester payment schedule once the player has accepted the offer to play for Tsunami Academy (“Tsunami”). In order to keep Tsunami operating, it is essential that payments be made in a timely manner according to the payment due dates. Timely payments directly affect the operation of Tsunami, including field use/permits, equipment, reserving roster spots, and planning for semester development programs. Upon acceptance of the position with Tsunami, player/parents are responsible for the entire cost of the selected program, despite payments being paid in installments. If any installment payment is not received by close of business (“COB”) (5:00PM PST) on the due date, a late fee of \$100 will be imposed, additional to the overdue payment. For any check or cash payments given to an instructor, Tsunami Academy is not liable for any lost tuition.

***Nonrefundable Fee:** Should a player quit, withdraw or leave Tsunami at any point, for any reason after accepting a position with Tsunami, no refund of any kind will be received by the player/parents. Should a player sustain an injury in other activities/sports outside of Tsunami training, no refund of any kind will be received by the player/parents. For the reasons stated above, Tsunami’s operations are budgeted in advance in reliance of each player’s acceptance of a position in the academy. Therefore, all payments and fees will be nonrefundable. No transferring of credits allowed.

***COVID-19:** Should Tsunami have to go virtual (via Zoom) due to COVID-19 or limit the amount of players at a practice/lessons due to county imposed restrictions, Tsunami will comply with such restrictions and no refund will be issued.

Cancellation/Makeup Policy

During this uncertain time, there are situations beyond our control, which may or may not lead to the cancellation of practices, scrimmages, games and/or lessons. Tsunami’s staff will do their best to makeup or reschedule cancelled events, where feasible, but it is not guaranteed. Situations including, but not limited to, air quality in California, changing time slots for field/facility use determined by the county, technical issues with lights at fields, field/facility closures due to COVID-19 at the discretion of the county and weather. Parents or players who schedule into the wrong training session will not receive credit back for that week and no refund will be provided. Credits per week do not roll over to the next week.

***COVID-19:** If at any point, a player on Tsunami tests positive for COVID-19, Tsunami reserves the right to move all practices/lessons to virtual (via Zoom), during the 14-day quarantine period. This is to protect each and every player of Tsunami and their families, including the coaches and their families.

media, without further consideration. I understand and agree that I and my child have no rights to any benefits derived from the use of such image, likeness, voice or name.

Upon the signing of this contract, myself, my child(ren), my heirs, assigns and personal representatives hereby release from liability and waive the right to sue Tsunami and coaching staff, instructors, directors, officers, agents and volunteers, from and against any and all claims, injuries and/or damages, in which the player and/or parents may suffer during or as a result of the player's participation with Tsunami, including but not limited to travel to and from practices, games, practices, tournaments and related activities. These injuries or outcomes may arise from Tsunami or other's actions, inactions or negligence or the condition of Tsunami's fields or facilities.
